Games/Toys/Electronic Equipment

Children are asked to leave all games and toys at home. Any games/toys brought to the Center will be secured and returned to the parent when the child is picked up. Activities and toys will be provided for use on the site.

Sick/Absent Children

Please call 456-2073 to alert staff if your child will not be attending the program. To prevent the spread of infections, please keep children that may be contagious or have a fever at home until they are well. See page 5 & 6 for more information.

Emergency Procedure

In the event of accident or injury to a child in our care that does not require professional medical attention, we will administer appropriate first aid and notify the parents upon pick up. In the event of an accident or injury requiring professional care, we will call a parent and 911.

Change/Update of Information

Please inform staff of any changes to your child's registration form including change of address, phone numbers and authorized persons allowed to pick up your child from the Center. All changes must be in writing and signed by parent or guardian.

Incident Reports

Incident reports are our way of informing you if your child has had any injury or incident while in our care. A note will be on the sign out sheet or the site supervisor will notify you upon pick up if we have a report for you to sign. Signing the form confirms that we've notified you. In cases of sickness or emergency, we will call you at the numbers listed on the registration form to notify you immediately.

Behavior policy

It is the goal of PCF to provide a healthy, safe, and secure environment for all participants. Children who attend the program are expected to follow the behavior guidelines and to interact appropriately in a group setting. Every child's level of development is taken into consideration when evaluating a child's behavior or implementing discipline. All incidents will be documented and communicated to the parent on a regular basis.

Guidelines

- ❖ The child will respect the rights and feelings of others and will avoid disruptive behaviors that would interfere with program activities.
- ❖ Aggressive behaviors such as hitting, kicking, biting, tripping, verbal “put-downs”, spitting and other similar inappropriate behaviors will not be tolerated.
- ❖ The child will follow directions given by the staff regarding safety procedures and will stay with the group for all scheduled activities.
- ❖ The center strictly prohibits the use of alcohol, tobacco, and drugs, except prescribed medications.
- ❖ The child will respect the private property of others and will understand that stealing or vandalizing the property of others will not be tolerated.
- ❖ Refusing to follow the behavior guidelines or program rules.
- ❖ Using profanity, vulgarity, or obscenity.
- ❖ Acting in a lewd manner or exhibiting sexual behavior.
- ❖ Endangering the health and safety of children and/or staff.
- ❖ Leaving the program area or boundaries as set by staff, without permission.
- ❖ Continuing to disrupt the program.
- ❖ Bullying: act or threat that is unprovoked, repeated, aggressive, and intended to cause fear, distress, or harm.

Any child who does not behave in an appropriate manner may experience the following consequences:

1 st offense	Verbal warning
2 nd offense	Written warning
3 rd offense	Written warning with consequence (ie; timeout, take away minutes of free time, loss of activity)
4 th offense	Written warning with 1 day removal from program
5 th offense	Written warning with 1 week removal from program
6 th offense	Removal from program for the duration of one year

One or more consequences may be skipped based on the severity of the incident(s). Refunds are not given when participants are suspended or removed for unacceptable behavior.

The decision to send a child home is a difficult one to make and will be carefully considered before action is taken. When a child’s persistent or dangerous behavior takes too much attention away from the needs, safety, and well-being of other children, or causes disruption of the program objective, the possibility of suspending and/or expelling the child from the program must be considered.

Termination of childcare services

The PCF reserves the right to discontinue childcare services under any of the following conditions:

- ❖ Severe behavior by the child which disrupts the group, including repeated instances of failing to listen to his/her leader; refusal to follow program rules; excessive use of physical force, including hitting, pushing, kicking or biting; or excessive threats to use physical or verbal abuse.
- ❖ Frequent uncontrollable tantrums/angry outbursts
- ❖ Failure of parents/guardians to treat staff or other parents or children respectfully. Disrespect includes inappropriate or abusive language, behavior or threats.
- ❖ Fun Days program follows a zero-tolerance policy in regards to weapons. Any participant, parent/guardian or family-authorized adult that uses or possesses or threatens to use or possess a weapon at any time may be permanently expelled from the program.

PCF does not make it a practice to suspend or remove children from our programs/activities. However, PCF reserves the right to do so if the behavior is not conducive to the safety and well-being of other children in the program or your child's own personal safety. Immediate expulsion may occur if a child is in possession of and/or using tobacco, alcohol, illegal drugs, firecrackers, firearms or explosives, or are putting themselves, other children, or staff in immediate danger.

Refund/Cancellation Policy

Cancellations must be in writing are subject to a processing fee:

- Prior to start of program – Full Refund
- From the first day of program – prorated refund minus day attended
- After the first day of program – No refunds or credits

A \$25 fee will be charged for a returned check/insufficient payment.

In the event of inclement weather or natural disaster, PCF may modify or cancel its programs and/or close its facilities. A refund or credit will not be issued in these cases, nor in cases where a child departs a program early or is dismissed due to disruptive behavior.

Regarding the COVID-19 Pandemic:

In the event that programming is delayed, rescheduled, or cancelled due to the direction by state and local authorities, PCF will issue a partial or full refund of fees.
